

Join GiSTEM Week 2025 GIRLS INNOVATE! EMPOWERING THE NEXT GENERATION OF STEM LEADERS

EXPLORE, CREATE, LEAD!

GiSTEM Week is your chance to dive into hands-on STEM experiences, develop essential skills, and make lasting connections with peers and industry professionals!

WHO CAN APPLY?

Rising **8th – 12th grade girls** passionate about STEM and business.

Program Dates: July 14–19, 2025

Location: To Be Announced

Program Cost: FREE!

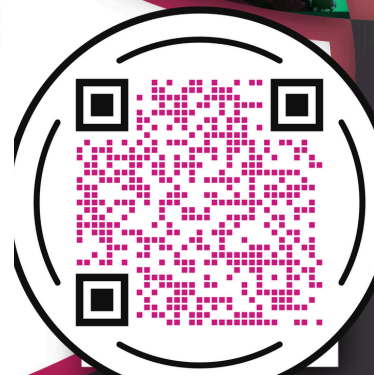

"I went to GiSTEM because they had so many opportunities to learn about STEM. They taught us to do things in a really fun way. I gained so much more information than I would in school, went on amazing field trips, and heard inspiring speakers. I would totally do this again next year!"

– GiSTEM Week 2024 Participant
