GIRLS THRIVE!

Empowering the Next Generation of STEM & Business Leaders

Join GiSTEM Week 2026 for an exciting week of innovation, leadership, entrepreneurship, and hands-on STEM experiences designed to inspire and empower young women.

EXPLORE. CREATE. THRIVE.

GiSTEM Week is your opportunity to dive into engaging STEM activities, develop essential leadership and business skills, connect with mentors, and build lasting friendships with like-minded peers.

WHO CAN APPLY?

Rising 8th–12th grade girls who are **passionate about STEM**, innovation, business, entrepreneurship, and making an impact in their communities.

WHAT YOU'LL EXPERIENCE

Real-World Problem Solving

Work in teams to tackle exciting challenges that encourage creativity, innovation, and critical thinking.

Business & Entrepreneurship

Learn how innovation and business work together through leadership and entrepreneurship experiences.

Professional Networking

Build meaningful connections with industry leaders, educators, and mentors.

STEM Exploration

Engage in hands-on activities across science, technology, engineering, and mathematics.

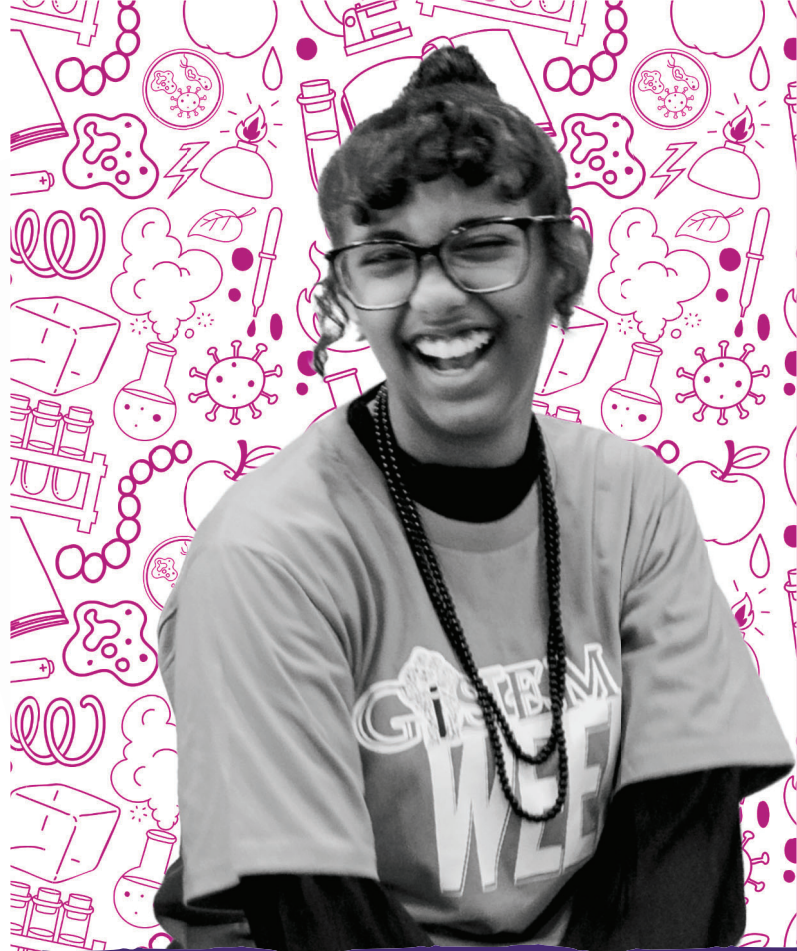

Field Trips & Industry Exposure

Explore STEM careers and connect with professionals through engaging site visits and interactive experiences.

Leadership Development & Mentorship

Strengthen confidence, communication, teamwork, and leadership skills while learning from inspiring women in STEM and business.

PROGRAM COST: FREE

JULY 6–11, 2026

CRISTO REY RICHMOND HIGH SCHOOL

"GiSTEM Week helped me discover new possibilities for my future. I gained confidence, learned valuable STEM and leadership skills, met amazing friends, and connected with inspiring mentors. It was an experience I'll never forget!"
